Temperament

Yards	Crush	Paddock
Quiet: 7 head	Quiet: 7 head	Temperament not assessed in Paddock

Very quiet to handle in yards and crush, not one cow or calf jumped around in crush and all exited quietly.

Handled With	Bikes , Horses
Assessor Comments	A top quality pen of cows and calves joined to Black Simmental bull and CAF sired by a Black Santa. Anyone that is nervous around cattle could purchase these with confidence as they are very quiet in and around the yards. Temperament not observed in paddock but when let out of the yards into the laneway not one beast jogged, all walked quietly. Purchased as 3rd and 4th calvers earlier this year, their exact age is unknown but their teeth appear to be a very fresh full mouth except the one that has just cracked it's 7th. NB. Owner can transfer NLIS at $4 each (or $8 unit)
