Assessor Comments	A high quality line of heifers that are bred in the purple that are doing an outstanding job on their calves at their side. An opportunity not to be missed to secure a line of well grown heifers & calves that are only for sale due to the property being sold. These heifers have Fullblood Wagyu sired calves at foot and have been running back with the same Wagyu bulls (see documents section for info). Buyers please note approx 4 heifers with old eye scarring and one with a twisted tail both deemed not detrimental. The photos don't do the cattle justice due to rain and overcast conditions at assessment. A top quality line that will not disappoint , bid up and buy with confidence and for any further info please contact the agent.
