Assessor Comments	Quality young females genuine 1st calvers. All calved unassisted and have done very well on grass, these heifers will continue to explode and put on condition shown the feed. They are milking well and with time will become lovely roomy future breeders. Calves will continue to grow into lucrative weaner or heavy cattle. Cows ready to join to the bull of your choice. Nice types that will grow into lovely cows. Very quiet. A couple of calves treated at assessment for eyes in both consignments and will be treated twice more prior to delivery for buyer satisfaction they were showing small sign of eye irritation from the long grass. 1 x Heifer has a blue eye.
