Assessor Comments An outstanding line of Angus heifers and calves that would impress even the most discerning buyer. 8 of these Vendor Bred heifers are from the Araunah stud herd (but not registered) with the balance from the commercial herd. Heifers are by Registered Ayrvale sires, showing excellent milk traits and all calved unassisted. These top quality Calves are sired by Registered Araunah Sires which are sons of Millah Murrah Klooney K42, Loch Up L133 and an Ayrvale Docklands son. Calves are individually mothered and identified and the tag number matches their mothers tag. Calves have not been marked. Heifers were rejoined on the 15/10 to Ayrvale K32 and bull will be removed at delivery. Please make note, observed 2 heifers with white on their udders and 3 with old vaccination lumps on their necks. The vendor has offered another 13 heifers & calves in this sale
