Assessor Comments An outstanding line of Angus heifers and calves that would impress even the most discerning buyer. Heifers were purchased from leading Central Tablelands Angus producers as joinable heifers in 2020. Heifers are by Karoo, Gilmandyke and Rennylea sires, showing excellent milk traits and all calved unassisted. These top quality Calves are sired by Registered Araunah Sires which are sons of Millah Murrah Klooney K42, Loch Up L133 and an Ayrvale Docklands son. Calves are individually mothered and identified and the tag number matches their mothers tag . In this lot 11 of the calves are bulls and have not been marked. Heifers were rejoined on the 15/10 to Ayrvale K32 and bull will be removed at delivery. Please make note, observed 3 heifers with white on their udders and 2 with old vaccination lumps on their necks. The vendor has also offered 23 Vendor Bred heifers & calves in this sale
