Good well mannered heifers.

Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	Neat line of Angus heifers with calves at foot. Heifers were originally bought to background for feedlot/kill job but have since calved down. Heifers are good to fair quality with Angus and Angus cross calves at foot. Heifers are milking very well and would suit as replacement breeders. One heifer has a white udder and one heifer could have an Angus x influence.
