Assessor Comments	A very well bred line of quality Angus heifers that are presenting outstandingly and are an absolute credit to the vendor. Pure Bongongo and Dunoon Angus bloodlines that are only on offer due to a surplus of females coming through, prospective buyers can purchase with confidence that they are buying quality that will go forward and raise high performing progeny if given the opportunity. This line is the top draft out of this drop of heifers and would make a great start off to any herd or a fantastic top up of quality genetics to any breeding program.
