Assessor Comments	Rare opportunity to buy 7 pure quality Charolais heifers with first calves at foot. Most of these heifers would be bred from stud cows but are being sold just as commercial cattle. These heifers are vendor bred using AI and quality Stud bulls. The heifers are very well grown, present very well and are doing a good job of their calves. There is 5 bigger calves 3-4 mths and 2 young calves. The male calves have been left as bulls with option to grow out for sires. The heifers have not been rejoined. These are very quiet cattle that have been handled regularly. These heifers are very well bred, quiet and look good in anyones front paddock. **Please note vendor has 5x 3yr olds that be ideal keep together only drafted on age. Has also other lots in this sale and 2 in weaner sale.
