	Cattle that have been properly educated with Horses, Dogs, Bikes & Vehicles, as well as being very quiet & sensible to handle on foot in and around the yards. All led up the race well and stood quietly on the scales. A real credit to the vendor on the time & education that has been put in to these cattle.		
Handled With	Bikes , Dogs , Horses , On foot , Vehicles		
Assessor Comments	Very smart line of pure Rieland blood cows carrying their 3rd calf. Genuine classed matrons that unfortunately slipped out of the system this year, but have many years of breeding left in them, and so were re-joined for an Autumn calving. These are big long bodied matrons with feminine features that represent everything this vendor strives to produce, being a moderately framed, productive female with good length and a strong maternal instinct. These proven mothers carry years of select Reiland Angus genetics in their pedigree, and are PTIC to top end Reiland Angus Bulls. Ideal number topping proven breeders. Buyers please Note. 1 minor eye blemish, 1 small splash on white noted on a flank. Note. 1 Black Baldy in mob, it is at the buyers discretion to leave her out (652kg at assessment) Please see photos & video for full contentment
