Assessor Comments: 1 Stud Shorthorn bull A/C the Ham family of Tataila Shorthorns Tataila Quietman RBHQ12 weighing 738 at assessment. Q12 is a red bull in colour and would be the ideal bull to use over Hereford cows to bred that strawberry roan colored calf that sells so well at all the weaner sales. The Tataila stud has been breeding stud shorthorns for years and have regularly sold bulls in the Shorthorn national show and sale with great success. The vendor is offering another 2 bulls in this same sale.
