Assessor Comments: 3 X 3 1st calved Angus heifers with Angus calves at foot, with there being 1 steer calf and 2 heifer calves. The heifers are very well grown for their age and would mature into wonderful breeding matrons for many years to come. The heifers were purchased ex Euroa area at PTIC heifers and the vendor has since calved them down. The heifers present a great

	opportunity to buy into some quality breeding females only on their first calf, with their whole life ahead of them. The vendor is also offering another lot in this sale.
