Assessor Comments	A great opportunity to purchase principally 2nd calf Shorthorn cows which are very well bred and large framed with 100% sappy calves at foot. These cows are classed IN and only being sold due to the vendor has his herd at a maximum (300 breeders) and is clearing one of his property's of livestock. These cows are in strong forward to fat condition and doing an excellent job on there calves. They are very well bred being Yamburgan and Futurity blood lines where the vendor buys the better end of the bulls paying up to $17,000. Please note: 1 cow with blue eye (observe photo) but still has vision.
