Heifers were well behaved throughout weighing process. All led up sensibly and stood well. Just a few that showed some anxiety in the crush, rocking back and forth. All exited the crush at a walk and were quiet to walk around in the holding paddock to take photos of.

Assessor Comments Very stylish line of Tasmanian bred Landfall Angus Heifers. Preg test in calf to L.B.W sire - Landfall Capitalist P468. Soft faced, with a long, deep maternal body, already showing plenty of milk, these are a classy line of young females with outstanding weight for age that will grow out to be top matrons for years to come. Well structured & presenting as medium-large framed with clean smooth shoulders & good width across their pin bones. Very smart line of feminine heifers that will suit as an addition to any herd, or drop in to a trade market with an ideal calving period. A pleasure to handle in and around the yards. Buyers please note. 1 heifer presented with a blue eye. 9 heifers had a splash of white on their udders/flanks & 1 heifer with a birth mark & 1 with small scurs. Please see photos and video for full contentment.
