Assessor Comments	10 x 10 Charolais Heifers and Calves, with Angus calves a foot by the Rosskin stud bull. Vendor use to run the "Dimontee" Charolais Stud, dispersed the stud back in 2016. Run a few of the favourite cows on. These heifers are by the well known "Rangan" Charolais Bulls. One bull a Rio Bravo son the other a LT Ledger. Calves at foot are very sappy and fresh. Heifers moved freely through the yards. In terrific condition a great opportunity to purchase straight Charolais breeders, with the hard work done of calving them down for the first time. Ready to go with the bull of your choice and join up and have as long term future breeders. Quality outfits being offered, the first of 4 lots. An opportunity presents itself for the purchaser here, as the vendor has transitioned into Black cattle over the last few years. The last of there Charolais cattle to be offered. Please note = vendor has 3 other lots in this sale.
