Assessor Comments: Annual Sale of Heifers with Calves at foot from a recognized, high performing South Gippsland Herd. This is a smaller line of more moderate framed Heifers, drafted out of the mob and may suit a smaller operator or add to other lots to build numbers. Quality outfits that would complement a top shelf Angus breeding operation. Vendors are focused on herd improvement through an extensive AI program and follow industry best practices for animal management, health and handling. The Heifers are very well grown and are in fresh, Forward Store to Prime condition. Calves will be marked prior to delivery.
