Assessor Comments	Good young Hereford Friesian X cows. They are only 2nd & 3rd calvers. They are PTIC to a very good Ashfield Limousin bull.(see Video). Why buy heifers and run the risk of calving them down. These cows calved to this bull last year all unassisted. Genuine sale as Vendors are getting out of cattle all their cattle. These heifers present in magnificent order and would be an asset to any vealer herd. The Limousin bull they are joined to would be able to be purchased on a first in first served basis to a successful purchaser of the cows. Two other lots in same sale.
