Assessor Comments	Part of 120 PTIC Hfrs being offered at Mortlake by the Johns Family. These heifers were originally targeted to be sold as Banquet Blood Commercial Heifers at the 2021 Autumn Bull Sale however they tested empty on a Six Week joining and were sold to the vendor who successfully gave them another chance with the Bull. They are lovely, deep, square bodied Heifers with plenty of appeal. The Vendor has been using selected Te Mania Bulls exclusively for Seven years and never struck a problem with calving.
