| Assessor Comments  | Part of 120 PTIC Hfrs being offered at Mortlake by the Johns Family. This is the First draft from a group of 57 Murdeduke Blood Heifers purchased at Ballarat in January. Heifers are from various local, Western District Breeders including the Murdeduke Stud itself ( note freeze brands ) - all good quality and look a picture. Due to start calving early in the New Year to selected LBW Te Mania Bulls ( see list in breeding details ). Vendor has been specialising in PTIC Heifers for the last Seven Years and does everything possible to present a quality article, resulting in return Buyers. |                                                   |                                            |
| Assessor           | <b>Peter Rollason (Level 1 Accredited)</b> Phone: 0419 600 323                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                   |                                            |
