Excellent temperament.R006 was extremely quiet while in the crush/weighbox. A pleasure to handle,on his own,in a small

	yard for photos/video.A credit to the management of the herd.
Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	R006,AI sired by Chiltern Park Moe out of a first calving Matauria Reality Heifer. 502kg at 15 month's of age, coming off a grass only diet,R006 is maturing nicely with a balanced set of EBV'S, suited for Cow joining but please note the excellent gestation length. The Maneroo Bulls come with every box ticked. Sire Verified, EBV'S, Structural Assessment's, Semen Test's & Morphology can be viewed in the photos. The Maneroo Bulls come with our highest recommendation, through repeat purchasers, performance of progeny in a variety of feed systems, and females being fertile, efficient & functional.Please note R006 has a small patch of white forward of the testicles,as seen in the photos.
