| Assessor Comments | 23 Angus cows from the Willoway Farming operation, cow are 2015 to 2018 drop with the bulk of the cattle being only 5 yo. Really nice line of medium/lge frame young cows. Cattle are earmarked to age. Cattle have been pregnancy tested at under 5 months in calf on the 12/11 and are only being sold due to vendor tightening up calving times. Cattle present in good forward to fat condition and were excellent to handle through yards. Cows have constitution and a history of calving ease and will perform in any given situation. Please note vendor has 3 other lines in this sale. |
