Assessor Comments	A great line of Angus cows from Boonaroo Bulls. The Meinck family have been using Boonaroo Bulls for approx 10 years. This is a genuine herd dispersal with 4 other lots in this sale. All cows in this sale have been PTIC with any drys removed from the herd every year at pre testing. Calves have been weaned 3 weeks and the cow will continue to do right up to delivery. Please note 2 cows with white on udder.
