Assessor Comments	An excellent opportunity to purchase a quality line of true to type, one mark vendor bred ewe sucker lambs that have been weaned for 4 weeks and ready to take home and grow out. These ewe lambs are out of large framed Merino ewes purchased from the Trangie by Glamis Border Leicester rams. They will continue to grow into large frame breeders, ideal for any prime lamb production enterprise. This is the lead draft of 400 ewe lambs from the mob. All lambs have been crutched prior to assessment.
