| Assessor Comments            | Excellent quality lambs which are the top 80% of the drop with a tail removed. Lambs are in store condition on ewes grazing excellent pastures and supplements. Very odd lambs tail still to drop off. Offering 480 in this line as 2 x 240 head lots. Please note these lambs will improve given the right opportunities once they are weaned.                                              |            |                     |
