| Any Access To Rams or Stags? | To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.                                                                                                                                                                                                                                                                                                                     |
| Assessor Comments            | Very good quality Poll Dorset X lambs that were individually weighed 36kg plus 9 hours off feed. Lambs show very good length of body with shape and stand on good bone. Good lambs that have performed very well for previous purchasers. 2 lambs with scur in assessed lot. 2nd draft 25-35.5kg also in this sale. Odd lamb with grass seed in eye treated at assessment and will also be done prior to delivery. |
