-----------------	----------------------------

Any Access To Rams or Stags?

To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.

Quality Grades

Good 100%

Assessor Comments A neat line of 250 2nd X store lambs averaging 36kg. Some of these lambs still show signs of freshness but most are just starting to go off with the dryer conditions. These lambs have plenty of stretch and are noted performers with positive feedback from previous buyers. Later drop lambs that would suit trade or export markets over the autumn/winter periods.
