Vendor Comments	Annual sale of store lambs
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	These store lambs have done exceptionally well on a great season in the highlands. The lambs have never had a set back but are starting to dry in the skin in the last fortnight. Plenty of frame and stretch in these lambs and would be ideal to shear and grow into export lambs for the Autumn markets. The ewe portion in these lambs would join in February/March for a spring lambing if anyone wanted to take that direction and then fatten the wether portion.
