Vendor Comments	These sheep are part of the Nareen Station Annual Production Sale.		
Assessor Comments	This is the lead draft of Barrama bred merino wether lambs (run out of gate of 700). These lambs are bred on Barrama and are part of the Nareen Station Annual Production Sale. Nareen Station aims to breed sheep that are highly profitable and easy care. The breeding objectives in the commercial flock are to have adult sheep which are 18-19 micron and capable of cutting large quantities of white, bright wool on a plain bodied sheep. These lambs are ideal to purchase for wool production, further fattening or future export markets. Please note that the vendor has approx 3000 wether lambs in today's sale.
