Assessor Comments	510 Wairere NZ Romney Composite X Lambs are a late August/September Drop lambd in a 5 week period. They are by top Wairere NZ Romney sires and out of a Wairere NZ Romney based composite ewe. These lambs are out of thumping big composite ewe flock focus being put on growth and doing ability. These lambs are only young and have the ability to get very heavy. Would make lovely trade lambs and or very good export lambs. These lambs have been weaned 8 days. A perfect lamb to feed on with genetics and breeding on your side, they are a run out the gate of 1020 lambs with 770 of the next run in this sale also. 100% of lambs have been weighed so you can buy with confidence.
