Assessor Comments	This is the 4th draft from this property of good strong 2nd x lambs that were shorn on the 10th Nov and put out on uncut hay paddocks . the lambs have put on approx 8 - 10kg since shearing and are on the do so you can buy with confidence. Vendor would normally carry these lambs through only selling due to too many numbers. Vendor has 2 other similar heavier lines in the same sale a great opportunity to pick up 1250 lambs from 1 property. Parallel assessment with Craig Reschke.
