Assessor Comments	A nice smaller line of well bred Australian White ewes & lambs. Ewes are bred from stylish, large famed ewes purchased ex Gulargambone district and sired by top end sires from Urah Australian White Stud Condobolin. These ewes are doing a great job on the lambs at foot already showing plenty of milk and good mothering abilities. Lambs at foot are sired by Urah Australian White Stud sires of high quality. Note* 1x ewe with some brown colouring. 2x ewes showing undershot jaw (these ewes are showing heavy sign of being in lamb or have lambs at foot and are in good strong condition to raise lambs).
