Assessor Comments	Great opportunity to purchase a line of classed Wanganella blood ewes, August/September 2017 & 2016 drop. The Henderson family have been using Wanganella rams for the past 9 years with great results. Ewes have been classed each year by Hunter Leeson. Ewes will have lambs weaned off them at delivery. These ewes are only being offered for sale as the property has been sold. Highly recommended. Vendor also has a line of younger ewes in this sale and both the ewe and weather lambs off these ewes in the lamb sale.
