Assessor Comments	Annual draft of the Keri/ Keri young ewes. This draft offers plenty of ewes that would be normally classed in for keepers but they only retained 400 of 1500 ewes. This draft is as good as a run they have offered in a number of years. Always had plenty of feed in front of them and since shearing have really started to put on weight. High fertile sheep , easy care no fuss ewes. 4 lots in sale selling a run of the gate, will join now. MN 3 status.
