Assessor Comments	Final Stage Composite Flock Dispersal. Offering on behalf of Account , AND Teusner. This line represents 310 , July/August 2019 drop ewes. To be offered in 2 lots of 155, run out the gate at delivery. These ewe are good medium frame and present in mainly store to forward condition. The Teusner Family have been on Cashmore Park/Oaklea bloodlines for over 15 years and always buys in the top % of rams at the sale. Ewes are scanned annually and any dry ewes each year are removed. Ewes are January shorn and would benefit from have the wool removed and shown some fresh feed to meet joining condition. The ewes have had a tougher winter and spring than normal, and with the lambs been weaned off over the last 1-2 weeks are down on their usual condition . Shear , feed and join to the ram of choice late summer into Autumn. The Teusner flock often scans at over 150%. Proven breeders in the prime of their lives. Property has been sold/leased and these ewes are priced to sell.
