Assessor Comments	350 young ewes that have plenty of frame and with recent rain over the last 4 weeks they have been on fresh green pick and are on the improve. These ewes are only young and have plenty of potential with continued good feed they will grow into large frame breeders. The Mt Eba sheep are renowned for being large frame heavy wool cutting sheep. Ewes were yarded for over 24 hours before assessment. 3 with light horn in the assessment mob
