	Steers were good to handle through a race draft & up onto scales. Small number became agitated when confined in crush.							
	Steers were quick through yards & gateways taking a little time to settle after handling							
Handled With	Aerial (Helicopters, gyro's and planes) , Bikes							
Assessor Comments	Good line of young brahman steers that have had all the work done. Present with clean heads, sound structure & adequate frame. These steers have performed well in past. Have been given a 400 day Compudose in September this year. Cattle bred nth of the tick Line in the Gulf & cleared through dip, trucked to where they are currently sth of tick line. 2.5 to 3 light decks in this lot vendor has another 2 lots in sale, 1 line similar weight & number xbred steers as well as 1 lot of heavier steers
