	All cattle in this lot are very well behaved good to handle through the yards. The cattle that are slightly stiry are not aggressive they are just uneasy when too much pressure is applied, once the pressure is released the cattle calm down.					
Handled With	Bikes , Dogs					
Assessor Comments	Buyer an opportunity to purchase a line of very well bred mixed sex weaners on the up. The weaners in this lot are of very good quality and exceptionally handled. The Fortuna Pastoral cattle have a strong reputation for performance on grass and grain. The break up of this lot is 68 steers and 34 heifers. The steers in this lot will bound ahead on fresh feed and grow in to great backgrounder or feeder steers. The heifer portion of this lot are of a high standard and would fit into a breeding herd or suit trade options into domestic markets. The weaners in this lot are only on the market due to the small amount of rain so far this season. Buyers please note there are 24 head with fresh buffalo fly irritations, 6 head with worm scaring & 2 brindle weaners.
