Assessor Comments	On offer is a quality line of Droughtmaster steers, these steers have all the frame and quality to grow out and be ideal for the future heavy feedlot or slaughter markets. Steers are by performace recorded breeders and have excellent weight for age. Steers were weaned at time of assessment and will be worked in and out of the yards, they will be kept on hay at night time while being in a holding paddock and worked during the day. Steers will be pre treated with dectomax injectible for ticks at time of assessment. 2 steers have the slightest of bow in leg when walking but barely noticeble if at all, A few steers have slight fly marks and rubs.
