	Steers worked very well through the yards and were a pleasure to handle. A very small percentage of the steers became unsettled in crush but settled once back in the mob, cattle temperament is a credit to vendors.

Assessor Comments	Buyers, on offer are 49 predominately Drought Master infused steers the would suit backgrounders to take through trade /export feeder weights or to keep and take through to kill weights. These steers show good weight for age with plenty of length and frame. Buyers please note 6 head still males, 2 steers with no brush on tail. *see photos.* Steers are very tidy around the heads, This is a quality little line up of weaners and are not to be missed. *Please note vendor has another lot in same sale to make up light 3 decks.*
