	All heifers worked very well through an excellent set of steel yards. They were very settled on the scales with only 2 heifers considered slightly stirry. In the bigger yards they were very quiet whilst being photographed.

Assessor Comments	A VGQ line of Angus heifers which have an excellent temperament making them perfect for future breeders. These heifers have had an excellent start to life & are ready to join to a bull of the purchasers choice or feed on for a trade or export job. 3 heifers in the whole run have old scarring in an eye but doesn't affect any vision. 2 heifers have a small amount of white around their udder. 2 Heifers appear to have a small amount of old ring worm marking but appears all healed. The vendor has another 2 lots of 34 heifers which are lighter in the same sale.
