	Steers did stir in the crush while being handled and were quick to draft in the yards.		
Handled With	Bikes , Dogs		
Assessor Comments	A small line of Limousin/Santa x yearling steers that present mostly in good forward store condition and provide potential buyers with good compensatory weight gains. Some of these steers were sired by AT Limousin bulls and display excellent muscling and softness. Ideally suited for bullock fatteners or anyone looking to grow steers out to heavy feeders. **Please Note** Vendor has several lots in the sale.
