Assessor Comments	A line of predominantly Limousin/Angus x weaner steers that present in store condition and provide potential buyers with good compensatory weight gains. Some of the steers were sired by AT Limousin bulls and display excellent muscling and softness. Ideally suited for bullock fatteners or anyone looking to grow steers out to heavy feeders. **Please Note** 1 steer was dehorned last week, 2 steers have been marked late, and 1 steer has warts. Vendor has several lots in the sale.
