Assessor Comments	A run out the gate of 112 Heifers offered in 2 lots of 56 head. A great line of #1 Charolais and charolais x heifers with all the hard work been done. A good opportunity to purchase heifers with plenty of options. Please note not a bull on the property These heifers were purchased out of QLD as weaners. These heifers show great shape and bone structure and also weight for age. A good opportunity to purchase a good line of heifers that could go either way continue to put on weight for heavy feeder or slaughter markets or also continue to grow out and join. A portion of the heifers consist of Kilkenny bloodlines.
