Assessor Comments	A very neat line of Angus and Angus Cross steers. There are four steers with white underneath. One steer is Angus Shorthorn Cross, One steers with a brown coat which I believe the dam is carrying some limousin features. One steers with		

minor pink eye scarring in 1 eye. The steers calves are out of Heifers which were purchased in early 2021 out of the Deepwater District. Calves are sired by Speriby North Stud Angus Bulls. This is a small quality line of weaned steers.
