| Assessor Comments  | A good line of Angus and Angus cross steer yearlings 8-10 months of age and improving quickly on quality feed. There is 11 vendor bred steers and 26 steers selectively purchased ex Regional livestock markets as young vealers. 10 steers have small amount of ringworm on head, 3 steers have small lump on neck from vaccination jab. 2 steers were treated for pinkeye with Orbenin eye ointment and will be treated again at delivery. These steers are quiet and easy to handle, they have had all their animal health completed recently and are in perfect condition to power on and fatten into the strong trade or feedlot markets. Vendor will have another 5 lots of steers and heifers of similar weight in the same sale. |
