Assessor Comments	A good line of crossbred steer yearlings 8-10 months of age and improving quickly on quality feed. These steers have been selectively purchased ex Regional livestock markets as young vealers. 2 steers have small amount of ringworm on head and 2 steers were treated for pinkeye with Orbenin eye ointment and will be treated again at delivery. These steers are quiet and easy to handle, they have had all their animal health completed recently and are in perfect condition to power on and fatten into the strong trade or feedlot markets. Vendor will have another 5 lots of steers and heifers of similar weight in the same sale.
