A very well handled line of calves, they were a pleasure to handle in the yards.						

Handled With	Bikes , Dogs , Vehicles
Assessor Comments	A opportunity exists to purchase a great line of quality bred steer calves. Take the opportunity to put these on your green paddocks and watch these calves grow!! These steer calves have not seen a bad day on feed yet. They will continue to perform for any feedlot or kill market. These come recommend. You will not find better weight for age steers. I can recommend these as an excellent temperament, and easy to handle.
