A very well handled mob of heifers. They were excellent to handle and work with.
Handled With Bikes , Dogs , Vehicles

Assessor Comments	A quality line of EU angus heifers on offer. These heifers are well grown and will continue to grow and put on weight given the current seasonal conditions. These heifers are quiet to handle and work with and would be an ideal mob to start rebuilding your herd with. One heifer with a small amount of warts, and one with pink eye to be treated before trucking. Not considered detrimental.
