Assessor Comments	A quality line of vendor bred Mundarra blood Angus feeder steers. These steers are the top half of the vendors calves and have been performing exceptionally after a cold and wet Spring. Presenting in ideal condition these steers are in tight weight range to average 473kg full at assessment. These 73 steers make up a neat B-Double. With all weather access you can buy with confidence to suit desired induction timeframe. Please note that two steers have some warts on the face.
