Assessor Comments

Hard to find Autumn drop weaner heifers. We only removed 3 light heifers out of this entire draft and the rest being offered. These are breeders of the future and will grow into really nice large framed cows. The heifers show plenty of style and quality through them already. They were a real pleasure to handle and assess and its a credit to the vendor on how they have been handled. They are out of genuine front paddock angus cows. Buy with confidence these cattle will perform or become your future breeders.
