Assessor Comments	Attention ladies and gentleman, look no further today we have a very rare genuine sale of some fantastic Hereford Cows and Calves. Here is your chance to secure yourself over 100 years of family bred Hereford genetics. On assessment the Cows averaged 618kg and are from 7 - 10 years of age. The Calves averaged 155kg and are from 2 - 5 months of age. The temperament and breed quality of these Cows is a huge compliment to the dedication and hard work that the Winter's family have committed to their breeding program. Only selling due to sale of property. Please note 4 of the Cows were assessed at a different set of yards and also 3 Cows have a slight limp caused by the wet condition however they are still fit and strong.
